

PPA FAMILY GUIDE TO LEARNING AT HOME

In order to keep learning moving forward as much as possible, our team has put in place a number of distance learning opportunities. Your direct staff contact advisor will be available to answer questions or you can **contact Miss Formato directly at 716-909-3666**. Please follow the steps below to access instruction for your scholar:

Google Classroom:

Each grade level has set up a Google Classroom page that will allow scholars to access video instruction, additional assignments, and stay in contact with their teachers. In order to access Google Classroom, a parent, guardian or older sibling **MUST create a Gmail address**. Google Classroom can be accessed through an app on your phone, or through a webpage on a tablet or computer. Once logged in, access codes to join each class are as follows:

Kindergarten: **7exmmrz**

First Grade: **pcdxaeu**

Second Grade: **y7wiorv**

YouTube Channel:

If Google Classroom is not working, all instructional videos can also be accessed on our school YouTube channel. Search Joelle Formato on YouTube and follow our channel for video updates!

Office Hours through Zoom:

Beginning Wednesday, March 18th our teachers will be available for office hours each day from 9:00am-5:00pm each day. Families should search for the Zoom app on their phone or visit zoom.us in a webpage. Dial in numbers for office hours are as follows:
